Medical Considerations for Referral to Field Case Management

May 8, 2023
1 MIN READ

Knowing when a claim could benefit from a referral to field case management can be complicated. In this video, we have outlined key medical considerations that can guide your decision-making. If any of these factors apply to your claim, it may be time to make a referral. Our expert staff of case managers is here to help facilitate timely and appropriate medical care while coordinating a safe and timely return to work.
